

## MESSAGE TO PATIENTS

***If you are experiencing any of the following:***

- Fever
- Cough
- Runny Nose
- Aches
- Loss of Taste or Smell

**Please Call 772-7070**

**BEFORE ENTERING THE CLINIC**

### **MESSAGE TO PATIENTS:**

Due to the surge of COVID-19 infections, the Valley Springs Health & Wellness Center will be implementing policies to keep you and our staff safe.

**FOR WALK-IN PATIENTS** – If you are experiencing any of the COVID-19 symptoms (fever, cough, runny nose, aches, loss of taste or smell) please call the clinic before entering so they may assess you out in the parking lot, or have you enter through a side entrance.

**FOR PATIENTS CALLING FOR AN APPOINTMENT** – Please inform the staff of any COVID-19 symptoms (fever, cough, runny nose, aches, loss of taste or smell) when making your appointment so they can properly direct you. Patients with any COVID-19 symptoms may be assessed in their car, or brought into a side entrance.

**ALL BEHAVIORIAL HEALTH and DIABETES MANAGEMENT** - Appointments will be by phone or video call only.
